## Current Employment

*Place of employment:* Royal Mail Sorting office, Stourton, Leeds  
Date: 2006 to Present

*Role:* Part time factory worker. I am on a floated duty so I have been trained to do every job in the warehouse.

## Previous Employment

*Place of employment:* NHS Administration office, Wakefield house, Wakefield  
Date: 2005 to 2006

*Role:* Administrator. I was a general office worker who had to input drug codes from prescriptions into a computer database.

*Place of employment:* Postman  
Date: 2004

*Role:* Sorting and Delivering letter to people houses.

## Skills

Strong XHTML/CSS Skills (including cross browser compatibility issues)

Extensive knowledge of Dreamweaver, Photoshop, PageMaker and Freehand

Experience with designing for Print and Internet based products

In the next months I will have knowledge of Flash/Actionscript and PHP

Competent at creating websites that validate to W3C Standards

## Ambitions and Interests

I am highly motivated and want to succeed in the graphic/web design industry. I consider myself to be a very creative person and enjoy a design challenge. I want a career that will allow me to for fill my potential.

I enjoy many sports especially Football, Rugby and Golf.
